

SHIPWRECKED WITH YOUR VALENTINE AT THE SAROJIN!

29th November 2011 – If Valentine's Day conjures up images of crowded restaurants and noisy couples, why not treat your other half to something truly special next year? Pristine beaches, easily explored coral reefs, sumptuous cuisine with your toes in the sand, and your very own private sand island to enjoy... this isn't a dream but rather all part of the ultimate Valentine's Day package to be "Shipwrecked With Your Valentine at The Sarojin".

Dreamt up by The Sarojin's creative Imagineer, David Koegelenberg, especially with Valentine's Day in mind, the newly-created package is designed to put love firmly in the (sea) air. It will include a range of romantic extras, including an unforgettable opportunity to be shipwrecked in style on a private sand isle in the ocean resting between the charming fishing village of Baan Nam Khem and the island of Koh Kho Khao in Thailand.

Awake in luxurious surroundings and enjoy a lavish à la carte breakfast with sparkling wine before being whisked away by luxury car to the base of the Sri Phang Nga National Park, stopping en route to pick up local ingredients from the colourful Takuapa market, before being led through the jungles of this stunning natural playground to the foot of a beautiful jungle waterfall. Enjoy a private Thai cooking class "Just For Two" with The Sarojin's highly-acclaimed Chef or, if preferred, The Sarojin can arrange for one partner to surprise their other half with a lovingly-prepared banquet upon arrival at the ethereal waterfall.

Following your dining delight, you will be escorted to the majestic Lady Sarojin private yacht for an intimate sunset cocktail cruise through the enchanting mangrove estuaries and forests. Sit back and let the onboard crew spoil you with home-made canapés, selection of cocktails, beers, wines and spirits from the open bar as you pass through the most tranquil of settings on your way towards your exclusive, uninhabited sand island in the midst of the glistening Andaman Sea.

Upon arrival at your very own pristine sand isle, you will be welcomed by your personal butler and private chef who will have lovingly created an elegant playground for your evening ahead, complete with a cocktail seating area to watch the evening sunset, a charming dining area with fresh seafood cooked to your liking, and a

relaxing coconut lounge for dessert, after dinner drinks and to relax in the arms of your loved one. To add to the romance of the evening, the island will be alight with flickering candles to provide the perfect setting with the person you adore most – shipwrecked in style on your own secluded sand islet in the heart of the Andaman Sea.

At the end of your shipwrecked adventure, a traditional Thai longtail pleat boat will “rescue” you from your private sand island and transfer you back to the mainland and then by luxury car onto the multi-award winning resort where your luxurious guest residence awaits romantically styled for your return.

Further highlighting The Sarojin’s year-round appeal for romantic getaways, the luxury resort’s new “Shipwrecked With Your Valentine at The Sarojin” package is available to book not only for 14th February but anytime between 1st December 2011 and 30th April 2012.
