

INDULGE IN MORE LUXURY FOR LESS AT THE SAROJIN – SPEND LONGER WITHOUT SPENDING A FORTUNE THIS SUMMER

14 May 2010 – Thanks to The Sarojin's *Special Bonus Nights Offer*, the greatest luxury this summer is the extra nights you'll receive for free! Enjoy more luxury for less this summer...the luxury of walking hand in hand on a secluded sandy beach followed by your own delicious candlelit barbeque just for two – perhaps on a secret beach or candlelit jungle waterfall – you choose the time, the menu, the place...The luxury of never-ending days with the freedom to do as much, or as little, as you please. And the luxury of being able to enjoy even more of this, without spending a fortune.

However long you stay, you'll enjoy the same number of nights again on a complimentary basis. So whether your idea of holiday heaven is jungle adventures by elephant back, endless deserted beaches, or supping on oysters and Champagne onboard your own private yacht, a visit to The Sarojin this summer allows you to indulge in even more precious holiday time. Set on an 11km secluded white sand beach in Khao Lak, Thailand, The Sarojin excels in offering exceptional services and adventures just for two. And with the ultimate private concierge – The Sarojin's 'imagineer' – the limits really are your own imagination as to how you spend your extra days.

Maybe you'll want to experience the stunning scenery of Phang Nga Bay National Marine Park exploring sea islands and secret sea cave tunnels by canoe; or set forth on your private personal safari into vast primary forested jungles by elephant, mountain bike or foot; or enjoy a rare view and experience the amazing Phang Nga scenery – its jungle forests, rivers, and sea islands - by air on a private helicopter safari "just for 2". Or perhaps trying your hand at a private culinary Thai master class will whet your appetite, or practicing your swing at one of three 18-hole golf courses nearby? If this sounds too taxing then simply immerse yourself in the soothing sounds of the Andaman Sea whilst you consider the next sumptuous meal or pampering treatment at The Sarojin's award-winning Pathways Spa.

The Sarojin's 56 boutique residences are set in a 10-acre tropical garden, lending overwhelming sense of personal, soul soothing, peace and relaxation. Inspired by the mythical Lady Sarojin, daughter of a prominent Thai nobleman, who was regarded as the perfect host, staying at The Sarojin is akin to staying at a friend's private estate.
