Any hint of mass tourism is strictly forbidden! Perhaps a private charter on the luxury boat Lady Sarojin, or a jungle adventure complete with champagne? A Thai cooking class and lunch by a waterfall? A romantic private barbecue on The Sarojin's own secluded white beach... the limits are only our guests' imaginations." Pathways, the secluded spa haven is hidden by mangroves and is luxuriously integrated with its natural surrounds. Looking out across the estuary to a deserted coconut grove and beyond to the Andaman Sea Pathways is the oasis for nourishment and rejuvenation blending together a host of ancient physical and spiritual treatments that will soothe you, enrich you and re-invigorate your entire persona.
