THE FINEST HOMES, TRAVEL & LIFESTYLE

Time for Thai

If you're hoping to find an ideal setting for a wedding, honeymoon or holiday, **The Sarojin** on a secluded 11 km stretch of white sand beach is in picture perfect Khao Lak, Thailand

Bordered by five national parks and the dive sanctuaries of the Similan and Surin Islands, this fabulous five-star resort is ideally suited for couples and luxurious honeymoons. A team of personal guides delights in creating personal experiences 'just for two', such as a candlelit dinner by a jungle waterfall or on an idyllic white sand beach. The limits really are only confined to your imagination.

Legend has it that Lady Sarojin, eldest daughter of a prominent Thai nobleman, became mistress of the house upon her mother's accession. As such, she was responsible for not only the upkeep and smooth running of the residence and grounds, but also for the comfort of her father's guests. So wholeheartedly did she pursue this vocation, that travellers from far and wide sought invitations, as this household had become famous for its hospitality, comfort and appeal under her care. Today, Lady Sarojin's spirit is said to guide the resort's owners and management every step of the way.

On location

Guests travelling to The Sarojin from international destinations will find Bangkok, Singapore and Kuala Lumpur international airports are all equally convenient to take a connecting flight of one hour and 20 minutes on to Phuket International Airport. The Sarojin has a luxurious fleet of private cars available to meet all guests on arrival at Phuket International Airport for the onward transfer of an hour to the resort.

At your leisure

The Sarojin has an array of plunge pools, spa pools, waterfall showers, private gardens, a modern spa and fitness facilities. There is also a wonderful fine dining scene, as well as walks to regenerate your soul, cycle paths to explore and a sweep of alabaster sand beach and crystalline ocean waters in a secluded bay. Croquet, petanque and water sports are all on site, while golf can be played at three 18-hole golf courses nearby and floodlit tennis courts are available 10 minutes away.

'Pathways' is a secluded spa haven floating over the main estuary and central energy lay line of The Sarojin and hidden from view by mangroves. It looks out across the estuary to a deserted coconut grove and beyond to the Andaman Sea. Rustic yet comfortable, and privately entered by a meandering boardwalk, Pathways forms a key part of The Sarojin's 'well being' experience. Ancient therapies, wisdom and massage techniques are combined with modern

comforts to help relax and then awaken the body and soul.

Pathways features two double and two single treatment pavilions, with outdoor tree showers and secluded couples' baths set among natural surrounds, a facial treatment room, a post treatment relaxation lounging area and a stilted yoga and Tai Chi deck shaded by palms and mangrove canopy.
