

THE
SAROJIN
THAILAND

Lobby

The Lady Sarojin, eldest daughter of a prominent Thai nobleman, became mistress of the house upon her mother's accession. As such, she was responsible for not only the upkeep and smooth running of the residence and grounds, but also for the comfort of her father's guests.

So wholeheartedly did she pursue this vocation, that travelers from far and wide sought invitations, as this household had become famous for its hospitality, comfort and appeal under her aegis.

Today, Lady Sarojin's spirit guides us every step of the way and, we hope as she did, that our guests are truly enriched by their sojourn with us.

Situated just an hour from Phuket International Airport in Khao Lak on a secluded 11km white sandy beach. Ideal for couples, romantic breaks, honeymoons, weddings and older family groups. Designed in a contemporary Asian style with just 56 luxurious guest residences. Wide range of activities and facilities – snorkel, SCUBA or cruise on a luxury boat, jungle adventures complete with champagne, glimpse authentic Thai local life in association with responsible and sustainable tourism commitment, rejuvenating spa massages lulled by the sounds of the Andaman sea, Thai cooking classes, lazy gourmet lunches, romantic dinners on a secluded beach or by a candlelit jungle waterfall ...the limits are only your imagination. No children under 10 years permitted to stay.
