Jetset Extra tours the Sarojin Resort in Thailand with manager Dawid Koegelenberg. When it comes to any request made by a guest of the resort, the Sarojin's motto is "Yes We Can." With just 56 guest rooms, the Sarojin provides an intimate getaway and allows guests to ride elephants, visit waterfalls, or just relax on their beach - one of the few

with white sand in the region.

Dawid is an "imagineer" - an individual who manifests ideas into reality. He specializes in creating unforgettable memories for guests - from romantic moments on the beach to arranging to "strand" couples on a remote island. The Sarojin's owners designed the resort to match their dreams and tie together elements of their favorite resorts around the world.
